

Appendix 1. Distribution of grants

Margarita Salas grants for the training of Young doctoral graduates

A minimum of 45 grants offered.

According to the different doctoral programs, classified in groups A, B, C and D, taking in consideration to the table below, two groups are established: A + B and C + D.

The number of grants to be awarded for each of the two groups (A+B and C+D) will be proportional to the number of accepted applications for each group, taking into account the minimum number of aids provided (45).

Total amount allocated: € 3,520,300,00 (distributed as established in the terms of the application call)

Classification by groups of doctoral programs for Margarita Salas aid Applications:

DOCTORAL PROGRAMME	
Physical activity, Physical Education and Sport	Group C
Food and Nutrition	Group A
Aquaculture	Group B
Arts and Education	Group C
Biodiversity	Group B
Biomedicine	Group A
Biotechnology	Group A
Brain, Cognition and Behaviour	Group A
Cognitive Science and Language	Group A
Earth Sciences	Group B
Marine Sciences	Group B
